Asst. Prof. Dr. Tawiwat Kangsadan was their supervisor. The project is part of the exchanging program between TGGS and university partners abroad concerning to improve student skills and cultural exchanges.

### Workshop “Teach the Teacher : Project-based Teaching Method” at KMUTNB

During 26<sup>th</sup> - 30<sup>th</sup> October 2015, German-Thai Dual Excellence Education (GTDEE) with cooperation of King Mongkut’s University of Technology North Bangkok (KMUTNB) organised a workshop for vocational teachers at Faculty of Technical Education. German experts from IRATEC closely train and advised the teacher and introduced 3D printing machines how to apply new technological innovations to Thai education curriculum. Teachers learn more on German standards of dual vocational system. Moreover, representatives from Ministry of Education also came to observe the workshop and hope to adjust to Thai education system.
